- IMPROVES JOINT MOBILITY
- ENCOURAGES HEALTHY HAIR, SKIN & NAILS
- SUPPORT GROWTH OF HEALTHY CELLS

HOW TO USE:

Take 2 capsules 1-2 times daily with meals.
If intestinal discomfort occurs, reduce dosage.

HEALTHY SKIN & JOINTS

MSM (Methyl sulfonyl methane) with Microhydrin is the most advanced MSM product available. Complete with vitamin C and our exclusive antioxidant, Microhydrin, it is the ideal way to add organic sulfur to your diet. MSM provides the sulfur necessary to support the body's collagen production - the primary constituent of cartilage and connective tissue in the joints.

Sulfur helps the body build healthy collagen, skin and connective tissue. Sulfur is naturally found in our foods; however, poor diet, soil depletion and overcooking have led to a widespread deficiency of this vital mineral.

MSM can improve joint mobility and encourage the repair of damaged skin. Our body creates new skin cells every day. When sulfur is available, new skin appears softer and smoother, hair and nails also grow in thicker and stronger.
